

Ernakulam Rural District Cyber Police Station has recovered the money for those who lost money through online fraud. The resident of Mulanthurutty lost Rs.360,000 and the resident of Pampakuda lost Rs.1 lakh. Both the money went through the same manner. A young man from Pampakuda received a message through his mobile that he would get the reward points obtained by purchasing the products in cash. In order to get the money, the young man clicked on the link sent by the fraudsters and handed over his credit card information as per their instructions. He immediately took away Rs. 1 lakh in the account. Following a complaint received by the Rural District Police, the money was recovered after a scientific investigation was conducted by the police.
