

Ernakulam Rural District Police take procedure to auction the vehicles seized and kept in custody. The vehicles seized by various departments like Police, Geology, Revenue, Motor Vehicle etc. and kept in custody in stations and around the stations and camps are auctioned after completing the process. The police informed that the registered owners of the vehicle must legally retrieve the vehicle within one month. If it is not taken up, it will be treated as refusal and action will be taken under 56 of KP Act. District Police Chief Vivek Kumar said that the prompt action was taken on the basis of complaints about traffic and health problems caused by stored vehicles.
